

CROWD SEES PRIESTS CLIMB TO 'L' TO GIVE RITES TO DYING MAN

Sailor's Hat Blows Off and
He is Crushed Trying
to Regain It.

Stephen J. Hagan, a young sailor on the U. S. S. Wyoming, was waiting for a train on the downtown platform of the Sixty-seventh Street station of the Third Avenue elevated road shortly after noon when a gust of wind blew his hat to the tracks. He reached after it as it fell and he

CHILDREN HATE PILLS, CALOMEL AND CASTOR OIL

Give Fruit Laxative when
cross, bilious, feverish
or constipated.

"California Syrup of Figs"
can't harm tender stom-
ach, liver, bowels.

Look back at your childhood days. Remember the "diseases" mother insisted on—castor oil, calomel, cathartics. How you hated them, how you fought against taking them!

With our children it's different. Mothers who cling to the old form of physic simply don't realize what they do. The children's revolt is well-founded. Their tender little "insides" are injured by them.

If your child's stomach, liver and bowels need cleansing, give only delicious "California Syrup of Figs." Its action is positive, but gentle. Millions of mothers keep this harmless "fruit laxative" handy; they know children love to take it; that it never fails to clean the liver and bowels and sweeten the stomach, and that a teaspoonful given to-day saves a sick child to-morrow.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly on each bottle. Beware of counterfeits sold here. See that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.—Advt.

topped to the tracks just as a train rolled into the station. He got from between the tracks, but was caught between the side of the car and platform and was crushed.

To men who tried to reach him he shouted that he wanted a priest. Fathers Mahoney and Kennedy were called from the rectory of the Church of St. Vincent Ferrer, on East Sixty-fifth Street, and they hurried to the platform, but were unable to reach Hagan. Fathers were called and started to cut away the platform to reach him, but the priests did not wait for them.

A hook and ladder was hurried around from the headquarters of Engine Company 14, a block away. An extension ladder was raised under the "L" structure under where Hagan could be seen and the priests climbed it. Father Kennedy administered the last rites of the church. Many in the great crowd that had gathered before reverently removed their hats while the sacrament was being administered.

The injured man was raised to the platform above through the hole cut in it after Hagan had worked for ten minutes. He was hurried to Bellevue Hospital in a Flower Hospital ambulance and died soon after arriving there. He was twenty years old and enlisted from Grand Rapids, Mich.

Former Councilman Gillick Run
Down on His Way Home
After Night Conference.

(Special to The Evening World.)
ORANGE, N. J., Nov. 2.—Former Councilman John J. Gillick was run over and killed by an automobile at 1 o'clock this morning while on his way home from a pre-election day conference of local Democratic leaders.

Mr. Gillick lived with his wife and four children on Mount Pleasant Avenue, near the top of the First Orange Mountain. After the conference he set out for his home. He was half way up the mountain road when an automobile driven by Martin Fox of Springdale Avenue approached.

Fox was within only a few yards of Gillick when he saw him. He applied the brakes, but too late to avoid striking the pedestrian. He then put the body into his car and drove to the police station. Fox was arrested pending an inquest.

Gillick, who was forty years old, had served several terms as a Councilman. He was defeated last year.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr.
Edwards' Olive Tablets.

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a yellow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent. of all sickness comes from inactive bowels and liver.

Dr. Edwards' Olive Tablets, a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action, yet always effective.

"They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by every one, by toning up the liver and clearing the system of impurities."

You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.

Beautify Your Home with Artistic Lighting

THE correct lighting of the home is an essential consideration both from the artistic and economic points of view. A proper reading lamp, whether electric, gas or oil, means healthier eyes as well as actual financial economy. An electrolier in the dining room concentrates the light at the important place with less burning of fuel than a number of misplaced lights.

Macy's Lamp Department has one of the most complete assortments of lamps and lighting fixtures in the city. From the tiny, single dressing-table lamps to fixtures for the popular and effective, restful, efficient, indirect lighting.

Many lamps may be purchased without the shades, combining shade and lamp according to your own taste.

Wood floor lamps may be found here in unique as well as conventional designs. Macy's makes a specialty of covering the base of these tall lamps with velvet or material of any sort to match the colors of draperies of a room.

Another Macy specialty is the mounting and equipping of vases for lamp bases—use any valuable vase.

Our display of cloisonne, rare pottery and other handsome lamps is also extensive and at most reasonable prices.
